## Your 12-week syllabus

Live classes Mon / Wed / Fri — every module built on real US client books.

1

### Foundations of US accounting & bookkeeping

Debits & credits, the accounting equation, US chart of accounts.

2

### QuickBooks Online setup

Company file, chart of accounts, connecting bank feeds.

3

### Recording daily transactions

Invoices, bills, expenses, bank rules and receipts.

4

### Bank & credit-card reconciliations

Match, clear and reconcile every account cleanly.

5

### Month-end close

Accruals, prepaids and adjusting journal entries.

6

### Financial statements (US GAAP)

Profit & loss, balance sheet and cash-flow statement.

7

### AR, AP & aging

Receivables, payables, aging and collections.

8

### Payroll & US sales-tax basics

Payroll fundamentals and sales-tax essentials.

9

### Cleanup & multi-entity basics

Catch-up books, fixing errors, multi-entity intro.

10

### AI-assisted bookkeeping

Automate data entry and reviews with modern AI tools.

11

### Intuit exam prep + capstone

Certification prep on a real set of client books.

12

### Your job-hunt roadmap

Portfolio, Upwork/LinkedIn, applications & interviews.

# What you get — and what you can earn

## What you get

- 60+ live hours over 3 months (recordings included)
- Real US client books — not toy examples
- 1:1 placement & portfolio support
- QuickBooks Online, taught hands-on
- Intuit Bookkeeping exam voucher included
- 100% money-back satisfaction guarantee

## Who can join

- Excellent spoken & written English — required for live US-client work
- A commerce / finance background, or a strong aptitude for numbers
- A computer and a stable internet connection
- About 6 hours a week, for 3 months

### 100% money-back guarantee

Complete the first 30 days and the assignments — if the course isn't for you, get a full refund. Placement support is included; a specific job is not guaranteed.

## What US bookkeeping pays

Typical ranges for remote roles serving US clients.

|                                  |                  |
|----------------------------------|------------------|
| Bookkeeper — US clients, remote  | \$20 – 30 / hour |
| Full-charge bookkeeper           | \$25 – 40 / hour |
| Freelance (Upwork / Fiverr)      | \$15 – 35 / hour |
| US median for bookkeeping clerks | ~\$23 / hour     |

Sources: US BLS Occupational Employment Statistics (bookkeeping/accounting clerks); Upwork & Indeed market rates, 2024–25. Pay varies with skill, clients and hours.
